EXPERIENCE

8 YEARS EXPERIENCE

Worked with many places / Public-Private sectors / International even as a Freelancer

NSIP

SENIOR DEVELOPER

2015 - 2017

I was basically the ios/android and back-end developer (almost everything) in this project which is FITNEX available in iOS/Android , Took about 8 months to develop and 1 year full support.

IPARSMEDIA

MOBILE DEVELOPER

2013 - 2015

We did a lot of mobile applications in iparsmedia which were really cool experiences , also my first mobile game experience was in here , a little endless Dart game which is available in android and ios.

FREELANCER.COM

FREELANCER

2011 - 2013

2 Years in freelancer.com was really great for me , Economic and Experimental. did some web applications , mobile applications , intro's , magento shop , flex project and also some php and mysql quick fixes and scripts .

NAKHAK

SOFTWARE DEVELOPER

2008 - 2010

Spend about 2 years in this company , was a good experience even though the projects did fail but i did some cool stuff about eLearning. we created an application for teaching maths to 6th grade teenagers which included animated teaching , examples , practice (even drawing).

THE REST

DEVELOPER

2006 - 2008

Some little games for TV (children's show) , A really cool bio multimedia for Fakhreddin doost mohammad tehrani (Great Cartoonist) , some other little projects which i can't really remember.

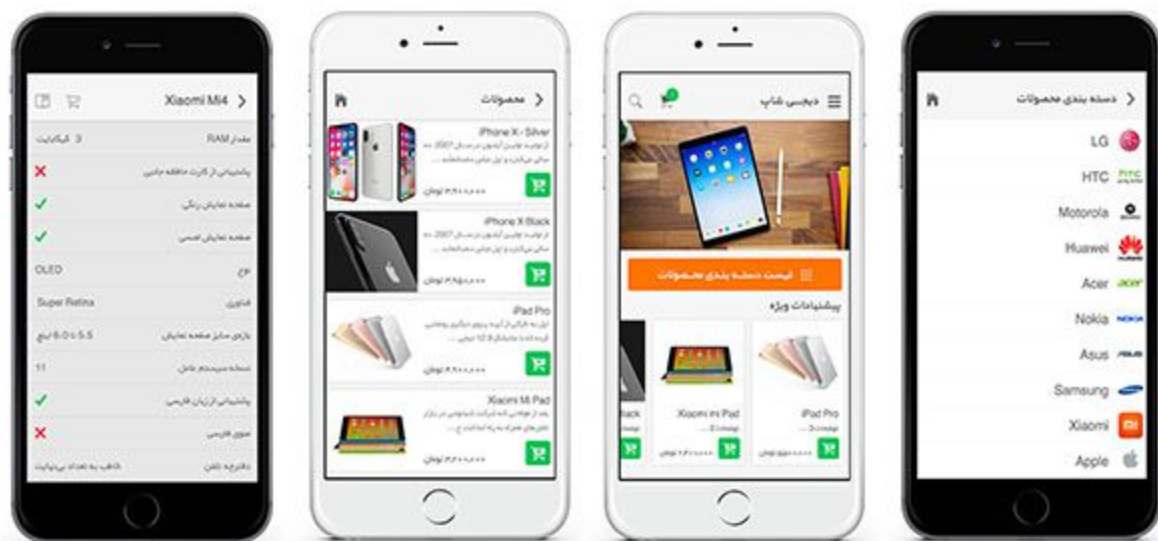

PORTFOLIO

HERE ARE SOME OF MY BIGGER PROJECTS

Together We Can Do
Much More
